

PKU3

A phenylalanine-free powdered formula, containing a mixture of pure L-amino acids and enriched with vitamins, minerals and trace elements

Features

- 288 kcal per 100gr
- 68g protein per 100gr
- Unflavoured
- Fat Free

Indications

- For the dietary management of Phenylketonuria and Hyperphenylalaninemia.

Precautions

- Only intended for the use of patients with Phenylketonuria and Hyperphenylalaninemia
- Use under strict medical supervision

Contraindications

- Not for intravenous use

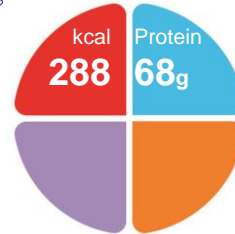

Age restrictions

- Suitable for older children above 15 years of age and adults
- Not suitable for infants under 1 year of age

Important Notice

- Not intended for use as a sole source of nutrition

PER 100g

Ordering Information

PKU3	Presentation	Nappi Code	Units per carton
Unflavoured	500g tin	716679001	2

Directions for Use

- The daily amount of PKU 3 depends on age, body weight, protein requirements and individual metabolic condition.
- The dose of PKU 3 must be adjusted by the physician or dietician regularly.
- The daily amount required should be divided into 3 to 5 equal portions and should be taken mixed with calculated amounts of other food (e.g. fruit puree, beverages, solid foods).
- Diets with PKU3 require an adequate intake of energy, essential fatty acids and phenylalanine to meet daily requirements. In beverages a maximum concentration of 10 g per 100 ml should not be exceeded

Storage

- Store in a cool, dry place.
- Once opened, use within one month.
- Always replace container lid after use.
- Once reconstituted, store in a refrigerator and use within 24 hours.
- Stir prior to use.

A food for special medical purposes; to be used under strict medical supervision.
